#### SUMMARY OF EXAMINER INTERVIEW

On January 23, 2007, the undersigned and the examiner discussed the undated reference submitted as citation AM on the IDS filed March 21, 2005. The examiner previously considered this undated reference, and allowed the application over this reference.

The undersigned agreed that, if unable to ascertain the date of this reference, the examiner will strike through the reference, thereby causing the patent issuing from this application to omit listing this reference.
